

In the Specification:

Please replace the original specification as filed with the attached substitute specification. A marked up copy showing the changes made is attached hereto. No new matter has been added.

Please make the following changes to the attached substitute specification:

Before the first line of the substitute specification after the title, please insert the following paragraph:

--This application is a national stage filing of International Publication No. WO/00/37613 filed December 17, 1999 which claims priority from Great Britain Patent Application No. 9828375.7 filed December 22, 1998 and entitled "Human AKT-3".—

Please insert the paper copy of the Sequence Listing provided herewith as pages 45-51 of the specification and renumber the claims beginning at page 52.
